

High-Cost Rx Program

This new program goes into effect Jan.1, 2020. The High-Cost Rx Program is designed to include an additional \$25,000 of coverage for out-of-pocket prescription drug costs when certain conditions are met. The plan is designed to assist Active (Full-time and Adjunct) members and Retirees under 65 who are enrolled in the PSC-CUNY Welfare Fund Prescription Plan, and who are experiencing significant out-of-pocket drug expenses.

How does the High-Cost Rx Program work?

Fund members will be able to apply for reimbursement when their Welfare Fund prescription drug expense exceeds \$10,000 and their eligible out-of-pocket costs exceed \$2,500 on an annual basis. The Fund will reimburse up to \$25,000 per person per plan year. The first \$2,500 of out-of-pocket is treated as a deductible and not eligible for reimbursement.

PSC-CUNY Welfare Catastrophe Major Medical (CMM) policy holders are required to file claims to Mercer Consumer/AIG before submitting to the Welfare Fund and must include a claim rejection from Mercer/AIG as part of claim to the Fund reimbursement plan.

How do I make a claim?

Members must submit the following to ASO:

- [High-Cost Rx Program Claim Form](#)
- [Receipts \(CVS pharmacy cashier's receipt, CVS mail order invoice or CVS Specialty Pharmacy invoice\)](#) AND
- Rx package receipt that shows:

 - Any Coupons

Here are examples of eligible receipts:

- [Mail Order Invoice/Receipt](#)
- [Specialty Pharmacy Invoice](#)

CVS/Caremark member portal claims printouts are NOT accepted as receipts. **Generic drugs that cost less than \$10 do not require receipts but must still be listed on the Claim Form.**

What claims are eligible for reimbursement?

- All in-network pharmacy claims may be eligible for reimbursement if they are for drugs on the PSC-CUNY Welfare Fund's CVS formulary or drugs with a valid Prior Authorization
- Specialty Drug claims are eligible ONLY through the CVS Specialty program

What costs are NOT eligible and DO NOT COUNT towards Deductible and/or Accumulators?

The following are not eligible:

- Dispensing penalties
- Copay costs:
 - Already paid by Manufacturer's Copay Assistance of Pharma Co.

When can a claim be submitted?

Claims must be submitted on a quarterly basis according to the following dates:

Q1 (Jan. 1 – Mar. 31) on or after April 15

Q2 (Jan. 1 – June 30) on or after July 15

Q3 (Jan. 1 – Sept. 30) on or after Oct. 15

Q4 (Jan. 1 – Dec. 31) on or after Jan. 15

Claims will not be accepted until the 15 day following the end of the quarter. Claims will be accepted up to March 31st of the following year for claims with date of service in the prior plan year. Only one (1) claims submission per quarter will be accepted.

IMPORTANT: When your eligible out-of-pocket copay costs exceed \$2,500 you should make a claim for reimbursement at the earliest quarterly date, even if it is only for a small amount. That will insure timely processing for full copay reimbursement in the next quarter.

Please be aware fraudulent claims are grounds for permanent disenrollment from the Fund Plan.

Have you moved to a temporary address?

If you have moved to a temporary address for the duration of the Covid-19 period, please attach a note to your Hi-Cost Rx Claim form that indicates your reimbursement check should be mailed to your temporary address, or inform ASO by registering as a member at asonet.com (use your legal name; your password is your Social Security Number). Otherwise, reimbursement checks will be mailed to the permanent address you have on file with the Welfare Fund.
