## How does the NYC Weight Watchers program work?

The NYC Weight Watchers program is a partnership between Weight Watchers and the City of New York. With the City's program, employees have access to a subsidy reducing the cost of membership by more than 50% off the regular price. Benefit-eligible dependents (spouses, children 18-26) and retirees can enjoy discounted pricing. Spouses and dependents of retirees are not eligible for the discount. The dollar value of this contribution/benefit will be included as taxable income to the employee.

<b>OnlinePlus</b>
